We, the editors of the 1986 edition of the CONVALFRA, wish to extend our thanks to all the people involved with the yearbook through out the year. We couldn't do it without you. Also a very special thank you to Mr. Wilfred Freidhoff, our advisor, whose time and patience were greatly appreciated. And also we'd like to recognize Mr. Cameron, our representative from Jostens Yearbook Company, who also took time to help us. Without the help and cooperation of these people, the production of our yearbook would not be possible.

We have enjoyed working and planning this 1986 yearbook with this year's staff. We hope that in the future it will recapture many fond memories of our high school days.

1985 was another successful year for the Lady Bluejays who posted a 13-3 record. The team captured first place in the Inter-County League and last season took the District 6 Class AA Softball Title. Returning coaches Dave Colbert and Skip Galayda once again brought the Bluejays to a winning season.

The 1986 season should be even more successful for the Lady Bluejays who are returning 7 starters (five of whom are seniors). The team is very proud of their awesome defense as well as their super offense. The Lady Jays hope to advance even further this season and to all the returning members, "BEST OF LUCK"!!!

This years cheerleading squad will surely go down in the history of CV. The girls started out the year by going to an I.C.F. Cheerleading Camp, held at Saint Francis College. After winning 1st place, and the title of "Grand Champs", the girls qualified to compete at the National level.

While preparing for Nationals, the girls also were honored to host the Cambria County War Memorial Contest for their win last year. They had a wonderful time and the contest was a huge success.

On Dec. 27 the Cheerleaders departed from CV for the I.C.F. National Competition held in Nashville, Tenn. There were a total of 260 Cheerleading Squads there. The girls competed against 87 other varsity squads from 17 states including Maine, Washington, and Hawaii. After their first day of preliminary competition the girls learned that they were among the 20 squads that had made it to the finals.

On Dec. 30 the girls competed, never expecting to come home with a trophy, but that's exactly what they did. The squad won a Special trophy for Best Cheer Execution, but the real honor was winning the title of 1st Runner up. Our school being the only squad to win two trophies. The girls also have the honor of being named 2ND IN THE NATION!!!! A squad from Markiwe, OK won CONGRATULATIONS GIRLS FOR A JOB WELL DONE!!!!

#### A FAREWELL POEM

With a tear in our eyes  
and a pain in our hearts  
It's time for us to leave CV  
and make a brand new start

We've been through alot  
Competitions & Contests too  
But more than even cheering  
We'll miss the friends we've found in you

Thank you to all the underclassman  
for all your hard work and for making  
this a year we'll never forget

Love you all, THE SENIORS

*This years Sr. High window team captured first place once again. It took two years to organize the team and ever since they've been winning first's. In 1980 the team had an honorable mention. In 1982 the team started their winning streak for 4 years in a row. Every year there is a total of 30-35 entrants, In which thousands of people throughout the Johnstown area are able to enjoy them. There is a limit to 6 members on a team. In past years the teams were allowed to use 3'd but this year it was changed, they judged by originality, creativity, technique, good taste, and grade level. Congragulations Mrs. Watkins and the Senior High Team!!!!*

Our 1985-86 editors experienced something different this year than any other editors have in the past. On August 18, 1985, the school had sent Scott Eckstein, Stacey Moschgat, Diane Young to Juniata College for a 4 day yearbook seminar. During their stay, they had participated in many classes for planning and designing the yearbook. Some of their classes included. basic lay-out designs, copy fitting, advertising photography and staff organization. Their stay was not all work, for they met alot of new friends which included several Duquesne football players (who were practicing at Juniata College). Our editors trip was very successful and they learned all there is to know about designing a yearbook

# GRADuation

*Today we'll start a new life  
And we'll say our last goodbyes  
To all the friends we've grown to  
love  
With whom we've laughed and cried*

*Remembering the fun and laughter,  
The problems and the fears,  
Also watching all our memories  
Grow throughout our high school  
years.*

*The memories of the classes  
And the new friends that we've met.  
Vacations, teachers, talking, activities,  
And the exams we'd rather forget*

*Yes, indeed, high school days are  
precious  
But brief, where all our dreams come  
true.  
It's not the end but the beginning of  
a life  
We'll start anew*
